

Accessibility and Disability Plan

The Governors have agreed a plan to improve facilities for any child who may have disabilities.

SHORT TERM

- Completion of white lining and security lighting
- Fire evacuations - signs/pictures (Somerset Total Communication) to address needs of all pupils
- Adapt adult toilet for disability
- Carpet corridors

- Provide ramps and replace fencing in Foundation Stage
- Improve emergency lighting in gym for community use

MEDIUM TERM

- Colour code replacement signs - upgrading signs with symbols where necessary
- Modify toilets for Community use
- All redecoration schemes to be conscious of visual contrast
- New play equipment - inside and outside - to take accessibility and disability into account

CURRENT SCHOOL PRIORITIES

- Raising standards of writing at all levels
- Improving Assessment for Learning
- Further improving provision for children with English as an Additional Language
- Further improving opportunities for 'Gifted and Talented'
- Continue to promote outstanding provision for PSHE (Personal, Social and Health Education) through the introduction of SEAL (Social and Emotional aspects of Literacy) Materials

Further information and Policies of the school can be found on the school web site www.abcprimary.co.uk
